18	status conference date set for June 5, 2023.			
19	2. Mr. Dillman suffers from complete kidney failure. He was hospitalized at SFGH			
20	this past Thursday, May 25, 2023 for an infection in his kidneys and subsequent pneumonia. He was			
21	released from the hospital today, and has been ordered in quarantine for the next 7 days, receiving			
22	antibiotics. Needless to say, Mr. Dillman will not be able to attend the June 5 th status conference.			
23	3. The government has produced some, but not all, of the discovery in the case, and			
24	the defense has been reviewing the discovery, although communication with the client is limited.			
25	4. I have discussed these issues with	the	e AUSA, Ross Weingarten, and the Court's	
26	clerk and we are agreeable to moving the June 5, 2023	sta	tus date to July 10, 2023.

1	4. The parties agree that this time is excludable from the Speedy Trial Act for effective		
2	preparation of counsel under 18 U.S.C. 3161(h)(7)(B)(iv). The parties also agree that the ends of justice		
3	served by excluding the time from June 5, 2023 through July 10, 2023 from computation under the		
4	Speedy Trial Act outweigh the best interests of the public and defendant in the prompt resolution of his		
5	case.
